Cytocare 532 Rejuvenating Cytocare Filler Skin Rejuvenation Hydration

Cytocare 532 (10x5ml)

Manufactured by Revitacare Laboratoires France, Cytocare 532 filling gel is recommended from the age of 50. More concentrated than the other products in its range (Cytocare 516 for correction and Cytocare 502 for prevention), the Cytocare 532 version reduces installed wrinkles.

Model No.	Cytocare 532
Function	Reduced Wrinkles /Reduces Installed Wrinkles /Skin Glowing
Use	Medical Beauty Clinic
Size	5ml*10PCS
Color	White

Product Properties

Hyaluronic acid gel is preferred over collagen for its resorbing nature and the homogeneity with which it is fixed under the tissues. Cytocare products were also voted best range of mesotherapy 2013.

Cytocare 532 contains 32 mg of Hyaluronic Acid and a rejuvenating complex called CT50. It is among others composed of folic acid, vitamins B3, B4, B1, B12, B5 ... In short, the trace elements necessary for optimal and lasting hydration.

The other advantage of such a cocktail is its antioxidant effect, which slows the appearance of visible signs of aging.

Targeted areas

Cytocare 532 intended to correct wrinkles or fine lines on:

- Hands
- The neck
- The face.

Application protocol

Cytocare 532 is injected between the dermis and the epidermis. The goal is to use a minimum of product by targeting the most damaged areas. Although natural and tolerated by most patients, it should not be administered to:

- Minors
- Pregnant or lactating women
- Allergic patients.

CYTOCARE₅₃₂

Efficacy deeper

Keep skin elastic

+

Superficial efficacy

Protect the skin and resist irritation
