**Product Description**

**high Quality Lipo Lab ppcs solution loss fat dissolving Slimming Injection Injection Injection Lipo Lab 8ml x 10vail**

Lipo Lab PPC Solution is a direct fat dissolver that injects PPC (Phosphatidylcholine), Sodium Deoxycholate, and L-Carnitine into fat deposits to destroy the fat cells. Sodium Deoxycholate destroys the fat cell membranes, after which PPC dissolves the fat cells and L-Carnitine helps excrete them from the body.

product name	lipo lab ppcs solution injection loss fat loss weight
size	8 ml x 10 vails /box
effects	loss fat loss weight slimming

Major parts of injections

1. Double chin : Facial layer of fat which makes thick neck and double chin
2. Armpit, forearms : Armpit lines of the front part of arms, forearms around the triceps
3. Back : Brassiere line which gets a style of dressing disheveled 4. Abdominal region, ribs(love handle) : abdominal region and weighty ribs on both sides, love handle on the rear side 5. Hip : Line under a hip which is connected to thighs 6. Thighs : External or internal lines which jiggle due to excessive fatty layers

**Simple way to get slim-it improves circulation and increases the metabolism of fat cells**

The hospital always keeps up with the international standards, and strives to use the most advanced technology and advanced equipment to serve the majority of beauty lovers

# FAQ

Hebei Eminent Technology Co, Ltd

**Q : How much do you charge for shipping and handling ?**

A : Shipping fees will be calculated based on order quantity and volume

**Q : How long will it take until I get my order ?**

A : EU orders will take 2-4 days and other worldwide destinations such as the Far East will take between 2 - 10 days

**Q : How secure is ordering from the Internet ?**

A: All purchases made via the https. For your security we are using SSL Encryption (secure Socket Layer). This technology encrypts all communication between the sites secured pages and your computer making it safe to submit personal and credit card information. We have chosen to use 256bit (stronger) encryption. This simply means that we are using one of the best, most secured encryption currently available.

**Q : What happens if I am not home to sign for my order ?**

A : The delivery person will leave a slip or card at your delivery address and you can pick your order up from the local post depot or post office that is servicing your area

**Q : What payment methods are accepted ?**

A : We accept payments by Visa, Mastercard. We also accept payment by wire transfer to our bank.

**Q : How do you ship ? What carrier is used ?**

A : We ship daily Mondays-fridays. Orders received on weekends will be shipped the following business day. We use the leading forwarding services depending on where you are. All orders are sent using a fully tracked service and you will be sent a tracking number so you can trace your goods all the way from dispatch to arrival.

**Q : Your privacy policy covers the issue of fraud . How is fraud defined ?**

A : Fraud is defined by some of but not limited to the following scenarios : Non-payment of shipped orders, Using a third party credit card without cardholders consent, writing bad checks, cancelling checks for shipped orders, providing false contact information, requesting charge-back or reversal of credit card charges for orders that have been duly referred by us and shipped.
